Blood On My Hands

Diamond Head

Lost my way
Love I ain't gonna leave you
Alight my grace, my friend
I'll resurrect my broken egoI wake up choking on this ragePlease hold my hands
Tie me up and kill my demons
I'll hold my breath, I said
I won't wait for your Jesus
I wake up choking on this rage
And findBlood on my hands
Blood on my handsAnd if it comes again
My bullets in the air
I'll need a real reason
To live it all againPlease hold my hands
I can't wait for your JesusAnd I drown again, and I drown again
And I drown again, and I drown again
And I drown again, and I drown again
And I drown again
Wake up choking on this rage
And findBlood on my hands
Blood on my hands
Blood on my hands
