

SOS

Go West

Watching your window
Across the street we share
Eyes on your shadow
You are unaware, unaware Picture a stranger
Footsteps in gabardine
You sense the danger
Something unforeseen
Burning fires on your shore
Never opened any door I'm wasting my time
You don't hear my S.O.S.
The perfect crime
To answer your S.O.S. Leave you in silence
Change my identity
Second appearance
I will set you free
Burning fires on your shore
Never opened any door
