Without You Here

Finch

The storm is back tonight
So how could I awake without you here
Your pictures on the wall
You haven't called but I'll wait for you
To her own reflection
She says, "I will hold on"
To her own reflection
She says, "I will be strong"
The storm is letting up but it wont die
If you weren't wrong was I
You picture still remains
But I wonder are you still the same
To her own reflection
She says, "I will hold on"
To her own reflection
She says, "I will be strong"
Am I loosing you
Am I loosing you

I'm waiting, I've waited
Till it's over, it's over now
I'm waiting, I've waited
Till it's over, it's over now
I'm waiting, I've waited
Till it's over, it's over now
I'm waiting, I've waited
Till it's over, it's over now
To her own reflection
She says, "I will hold on"
To her own reflection
She says, "I will be strong"
To her own reflection
She says, "I will hold on"
To her own reflection
She says, "I will be strong"
