(Just Like) Starting Over

Kat Edmonson

It's been too long since we took the time
No one's to blame, I know time flies so quickly
But when I see you darling it's like we both are falling in love again
It'll be just like starting over, just like starting overEveryday we used to make it love
Why can't we be making love nice and easy?
It's time we spread our wings and fly, don't let another day go by my love
It'll be just like starting over, just like starting overWhy don't we take off alone?
Take a trip somewhere far, far away
We'll be together alone again
Like we used to in the early daysMy darling it's been too long since we took the time
No one's to blame, I know time flies so quickly
But when I see you darling it's like we both are falling in love again
It'll be just like starting over, just like starting over
