

All I Need

Al Green

I wanna tell you one last time, all I need
Dont want no fussin, dont want no cryin
Youre everything to me All I need, all I need, all I need
Let me say youre
All I need, all I need, all I need Once over and again for the last time
Something very wonderful is on my mind
Can I say it twice? All I need, all I need, all I need
All I need, all I need, all I need We can work it out with no delay
We dont have to fight nor take all day
Hear me now, hear what I say
Hear my plea because All I need, all I need, all I need
I dont need nobody else
All I need, all I need, all I need All I need, all I need, all I need
All I need, all I need, all I need
All I need, all I need, all I need
