Never Knew Love Like This

Gwen Guthrie

Ooh...ooh...oh...oh...girl
Oh...oh...Ho...ho...ho...
Oh...
Hoo...
Ooh...ooh...ooh...Yeah
Oh...oh...oh...
YeahYou are my favorite lady
And you know you are my favorite man, yes, you are
And I know thats right
Said it feels good to know that you feel the sameAnd forever and a day
Together we will be
Nothing on this earth
Could ever take you away from meCause Ive been kissed
But I never knew love like this
And Ive been missed
But I never knew love like thisLoved someone before
But I never knew love like this
I had lots of lovin
But I never knew love like thisHmm...
And you know youre something special too
I love you
And thats all I need to hear to make my dayCause youre always on my mind
No matter what I do
Nothing on this earth
Could ever keep me away from youIve been kissed
But I never knew love like this
And Ive been missed
But I never knew love like thisLoved someone before
But I never knew love like this
I had lots of lovin
But I never knew love like thisOh, Ive been kissed
Never knew love like this
And Ive been missed
But I never knew love like thisLoved someone before
But I never knew love like this
No, I never, never, never, never
Never knew love like thisWhen Im asleep at night
I dream I hold you tight
I never had a better love

Never love like thisOh...oh...ah...
Ooh...
No, I never knew loveIve been kissed, baby, yeah...oh...
Never knew love like this
And Ive been missed, girl
Never knew love like thisNever knew love, loved someone before
Never knew love like this
But I never knew love
I never knew love, love like this, babyIve been kissed, baby
Never knew love like this
And I surely missed, lets sing it together
Never knew lov...
