

# Firm and Strong

## Popcaan

Yea, so much problem with my so-called friends  
Problem with the girl I love  
Whole heap a them a say dem know Popcaan  
Dem never know the place I was  
People who know the real struggle mi feel  
A people like squid and cuz  
This music biz is like a battle to me  
So much fucking hatred and grudge Now in a the midst of all these enemies  
Jah, you keep me firm and strong  
Bad mind and jealousy just get defeat  
Jah, you keep me firm and strong  
Give me the energy me need  
Jah, you keep me firm and strong  
Unruly keep winning by any means, yea  
Jah, you keep me firm and strong  
Strong already, strong already you know  
Strong already, strong already, strong already you know  
Me nuh friendly with the media  
Everyone already know  
Some people gone believe everything them see on TV  
Everything them hear on radio (Fool)  
Them see you with you thing a it them want  
Them plan up how fi take it from you  
God nah guh vex if a mi gun mi draw  
Empty a matic pon you But in a the midst of all these enemies  
Jah, you keep me firm and strong  
Bad mind and jealousy just get defeat  
Jah, you keep me firm and strong
