Oh My Love (Great Stars)

Riz Ortolani

Oh my love look and see
The sun rising from the river
Nature's miracle once more
Will light the worldBut this light is not for those men
Still lost in an old black shadow
Won't you help me to believe
That they will see a day a brighter day
When all the shadows will fade away
That day I'll cry, that I believe
That I believeOh my love high above us
The sun now embraces nature
And from nature we should learn
That all can start again
As the stars must fade away
To give a bright new day
