

True Love

[Dean Martin](#)

I give to you and you give to me
True love, true love
So on and on it will always be
True love, true love
For you and I have a guardian angel
On high with nothing to do
But to give to you and to give to me

Love forever true
For you and I have a guardian angel
On high with nothing nothing to do
But to give to you and to give to me
Love forever true
