Autumn Leaves

Paul Desmond & Don Sebesky Orchestra

Another day another life
Passes by just like mine
It's not complicated
Another mind
Another soul
Another body to grow old
It's not complicated
Do you ever wonder if the stars shine out for you?
Float down
Like autumn leaves
And Hush now
Close your eyes before the sleep
And you're miles away
And yesterday you were here with me
Another tear
Another cry
Another place for us to die
Its not complicated
Another life that's gone to waste
Another light lost from your face
It's complicated

Is it that it's over or do birds still sing for you?
Float down
Like autumn leaves
And Hush now
Close your eyes before the sleep
And you're miles away
And yesterday you were here with me
Ooh how I miss you
My symphony played the song that carried you out
And Ooh how I miss you
And I miss you and I wish you'd stay
Do you ever wonder if the stars shine out for you?
Float down
Like autumn leaves
And Hush now
Close your eyes before the sleep
And you're miles away

And yesterday you were here with me
Mhhh, mhh, mhhh, mhhh,mhhh,mho
Touch down
Like a seven four seven
Stay out and we'll live forever now
