Produces
Abuses
The chooses
The loosest
Of ends
That tend
To send
The false inner sense
That me and you together could actually be friendsNo way in hell, we 're gonna let you all know
No way in hell, we're gonna tear up the show
No way in hell, we're gonna let it all flow
No way in hell, all roads lead to RomeYeeeeeaaaahh! We're gonna kick your monkey ass
Yeeeeeaaaahh! We're coming with the blast
Yeeeeeaaaahh! It's the funky sound class
Yeeeeeaaaahh! We're gonna make it everlastThey said we couldn't do this but I know we can
You can't keep a good man down, a God damn
You and you and yours just better keep still
Coz I haven't even started with my spick and my spillNo way in hell, we're gonna let it all go
No way in hell, we're gonna walk through the snow
No way in hell, you're gonna put me on a hold
No way in hell, I think I'm really getting oldYeeeeeaaaahh! We're gonna kick your monkey ass
Yeeeeeaaaahh! We're coming with the blast
Yeeeeeaaaahh! It's the funky sound blast
Yeeeeeaaaahh! We're gonna make it everlastNo Way, No Way, No way in hell (X4)Something wrong with your life when you go the lowest low
Do you recognise yourself when you look in the mirror?
Can't control your mind or flip your tiny brain but
Don't hate the player if you can't play the gameNo way in hell, we're gonna let it all go
No way in hell, we're gonna walk through the snow
No way in hell, you're gonna put me on a hold
No way in hell, I think I'm really getting oldYes! Yes! Yes!
Yeeeeeaaaahh! You got your future in your hands
Yeeeeeaaaahh! We got you peeing in your pants
Yeeeeeaaaahh! You get no f*cking chance
Yeeeeeaaaahh! We got you steppin' on quicksandParty-arty-arty-arty-arty-arty-arty ya (X8)
