Spirits of the Future Sun

Soilwork

Total oblivion of my inner past
Will I ever be the same again?
Landscapes of treasures before my eyes
Now it's over, forget the pastSpirits of the future sun
Spirits of the future sunLegal lies and desperate cries
I cannot see, I'm on my own
Self destructive and the anguish of youth
Future's rising in your mindSpirits of the future sun
Spirits of the future sunYour spirits wait for me in vain
I won't fallSun burns red on the innocent child
Twisted rules by uncommon souls
Computerized, pathetic lies
The lights are out, here comes the warSpirits of the future sun
Spirits of the future sunYour spirits wait for me in vain
Well, I won't fall
Your spirits wait for me in vain
Well, I won't fallTotal oblivion of my inner past
Will I ever be the same again?
Landscapes of treasures before my eyes
Now it's over, forget the pastSpirits of the future sun
Spirits of the future sun
