Amazed

Kutless

Open up my eyes to see
All of You, Your mysteries
I hold my breath, You hold my hand
As heaven melts the heart of manHow amazed I amYour glory fills the sky
A great and holy light
Shining like a million stars
I'm amazed by who you areLord, we lift you high
Oh God, be magnified
You have overwhelmed my heart
I'm amazed by who You areThe universe is at Your feet
And angels bow when You speak
So high above our greatest song
But still You call and we will comeHow amazed I amYour glory fills the sky
A great and holy light
Shining like a million stars
I'm amazed by who You areLord, we lift You high
Oh God, be magnified
You have overwhelmed my heart
I'm amazed by who You are, my LordYour glory fills the sky
A great and holy light
Shining like a million stars
I'm amazed by who You areLord, we lift You high
Oh God, be magnified
You have overwhelmed my heart
I'm amazed by who You are, You are
