Love To Smoke Your Weed

Honky

Hey
What you smokin'?
Got enough for me?

Hey
What you smokin'?
Got enough for me?

Got no money, but I love your company

Burn another [?]...on a dimebag
I love to smoke your weed

Hey
What you smokin'?
Got enough for me?

Hey
What you smokin'?
Got enough for me?

Got no money, but I love your company

Burn another [?]...on a dimebag
I love to smoke your weed

Hey
What you smokin'?
Got enough for me?

Hey
What you smokin'?
Got enough for me?

Got no money, but I love your company

Burn another [?]...on a dimebag

I love to smoke your weed
