

Keep On Lovin' Me Honey (ft. Tammie)

Marvin Gaye

Keep on lovin' me honey, keep on lovin' me true
Baby, I'm gonna love you no matter what you do
Just so long as I can have it all, nothin' but you
So don't you take your love, don't take it away from me
'Cause I would stop right where I stand
I'd just be the frame of a man
Don't you take your love, don't take it away from me
'Cause if you leave you might as well take the air I breathe
Keep on lovin' me honey, don't you go nowhere
Don't you know I'm satisfied with your tender care?
And I get my inspiration, darlin', just knowin' you're there
So don't you take your love, don't take it away from me
'Cause like a leaf out on a tree
You've become a part of me
Don't you take your love, don't take it away from me
'Cause if you leave you might as well take the air I breathe
Would you take the heavens out of the sky
Imagine what the world would be like if the rivers ran dry?
Oh, Tammi
What good am I without you?
There's no thrill without you, darlin'
Like a sea without a shore
Kicking forever more
Keep on lovin' me honey, don't you change your mind
Sugar, I can't bear the thought of ever leavin' you behind
No matter what I do, another you I'll never find
So don't you take your love, don't take it away from me
'Cause I would stop right where I stand
I'd be the frame of a man
Don't you take your love, don't take it away from me
'Cause if you leave you might as well take the air I breathe
If you leave you might as well take the air I breathe
Don't you take your love, don't take it away from me
'Cause I need your love, I need it so desperately
Don't you take your love, don't take it away from me
