My Private Storm

Aldoush

Lyrics by Daniel Forsythe

Under threatening skies, in my private storm
Heading toward that distant light
Breaking through this wretched night
I will ride the wind `til horizons clear again
Breaking through this wretched night
Heading toward that distant light
Battling raging seas, saw you walking there
Flooded by unrest, trembling like a prayer
From my tragic depths, breakers crash the shore
Heading toward that distant light
Breaking through this wretched night
I will ride the wind `til horizons clear again
Breaking through this wretched night
Heading toward that distant light
In your eyes I see all the faiths that shine
All the truths I seek, tonight I'll make them mine
Woah oh oh oh, Woah oh oh oh oh...
We think and dream , in the end we hope and pray
We balance pleasure and pain toward a better day
The only light I see tonight is in your eyes
Shining like the truth, to save me from the lies
And all the people that we used to be
And all the reasons that we couldn't see
Right now they don't mean a thing to me
Shine light, shine light, shine, shine for me tonight...yea
Sailing cold, cold seas, in my private storm
Heading toward that distant light
Breaking through this wretched night
I will ride the wind `til horizons clear again
Breaking through this wretched night
Heading toward that distant light
Tonight I see that light, for me it's enough
New winds lift my sails, stir the stars above
On my knees again, I live for your love
Heading toward that distant light
Breaking through this wretched night
I will ride the wind `til horizons clear again

Breaking through this wretched night
Heading toward that distant light
I've been to the edge and I've seen that view
But I never thought I'd see the end of you
Woah oh oh oh, Woah oh oh oh oh...
Heading toward that distant light
Breaking through this wretched night
Heading toward that distant light
Shine light, shine, Shine light, shine
