Everyday

Julian Lennon

Ooo
Found a place in my life
For the feeling of emotion
It cuts like a knife
When you find love is trueFound a place in my life
For the feeling of devotion
It cuts like a knife
When you find love is trueYes, I need ya
How I want ya
Yes, I need you back at homeYes, I need ya
How I want ya
Yes, I need you back at homeEveryday in my life
I've been searchin' for a reason
I can't find the light
But I found love in youEveryday of my life
I've been searchin' for my freedom
I can't find the light
But I found love in youYes, I need ya
How I want ya
Yes, I need you back at homeYes, I need ya
How I want ya
Yes, I need you back at homeYes, I need ya
How I want ya
Yes, I need you back at homeYes, I need ya
How I want ya
Yes, I need you back at home
Yes, I need you back at home
Yes, I need you back at homeYes, I love ya
Yes, I need you back at home
Yes, I love ya
Yes, I want you my side
By my sideYes, I love ya
Yes, I want you back at home
Yes, I need ya
Yes, I want you by my side
