The Only One

Jode Gannon

We could of had it all
But you let it go
You told me I should of known
What burns by you
What burns by you

Chorus

Cause you are the only one
Cause you are the only one
Cause you are the only one
For me, for me, for me
For me, for me, for me

I don't know if i'll ever go
You keep me hanging on by your needs
You told me I was right, you told me I was wrong
It wasn't my fault after all
It wasn't my fault after all

I don't need no love when you go
You breaking down, breaking down all these
Cause I don't know what i'll do without you
What i'll do without you

Chorus

Cause you are the only one
Cause you are the only one
Cause you are the only one
For me, for me, for me
For me, for me, for me
