

# The Ballad of Arlo Jones

[Kevin Morby](#)

And this is the ballad of Arlo Jones  
He's someone you'd never think to talk about  
And this is the ballad of Arlo now  
He talked so loud he got odd around his mouth  
He was wild, he was wild  
He was wild, he was wild One, he was my friend  
Two, took a bullet to the head  
Three, he was my friend!  
Four, he was Oh, where is Arlo now?  
He's down so low that he cannot move around  
Oh, but where was Arlo then?  
He was drunk, he wasn't fun, he was my friend  
He was wild, he was wild  
He was wild, he was wild  
He was  
One, he was my friend  
Two, took a bullet to the head  
Three, he was my friend!  
Four, oh, where is Arlo now?  
Five, he was my friend  
Six, he got high and ran his mouth  
Seven, he was my friend!  
Eight, now he cannot move around  
Nine, he was my friend  
Oh, ten, ten, ten  
Oh, ten, ten, ten  
Oh, ten, ten, ten!  
Oh, ten, ten, ten!
