

# Already Taken (Bounce ReMix By B.FORD)

## Trey Songz

Every night up in the club  
Getting money with the thugs  
Thought I never fall in love  
And then there was you And I don't want to be a player no more  
Every night in the club gettin' with a different girl  
Thought I'd never fall in love  
Then I met you  
Girl you changed my mind One look and just one touch  
And I knew she was the girl for me  
Like no other I had seen  
They say that I'm tripping  
But I know what I want  
This girl here is different she  
Got something that they don't Yeah  
(She) She might be my lover  
She makes me want no other  
She don't care if I go to  
The strip club ('cause she want to go to)  
And I never met a girl like you that makes me want to settle down They showin' me they booty (I'm already taken)  
There's a lot of girls up in this club  
(But baby I'm taken) With that good ol' groupie love (I'm already taken)  
And it's hard as a man but I know I can (baby I'm taken) She the apple of my eye  
Keep that body on time  
I, I, I know I'm a player  
But she might be Missis Right  
Plus, that girl told me if I ever do wrong  
I can have all the money all the keys from that day on  
She's through with me (She) She might be my lover  
She makes me want no other  
She don't care if I go to  
The strip club ('cause she want to go to) And I never met a girl like you that makes me want to settle down  
They throwin' me they booty (I'm already taken)  
There's a lot of girls up in this club (but baby I'm taken)  
But When that good ol' groupie love (I'm already taken)  
And it's hard as a man but I know I can (baby I'm taken, baby I'm taken) Every night up in the club  
Getting money with the thugs  
Thought I never fall in love  
Then there was you And I don't want to be a player no more

Every night in the club tricking with different girl  
Thought I'd never fall in love  
Then I met you Girl you changed my mind  
So when they throwin' me that booty (I'm already taken)  
So hard to look the other way  
(But baby I'm taken)  
I don't wanna be a player
