The Weight

Caroline Dare

I can hear it on the phone
I can tell that something's wrong
You've got tears in your voice
You've got pain in your words
You've got doubts and you've got fears
But I'm right here
So don't worry
If you're hurting
You don't have to hold the blame
I'll take the weight
Off your shoulders
It ain't over
If you've got too much on your plate
I'll take the weight
(Hmm)
You don't have to feel alone
'Cause you're worth more than you know
Your future's bigger than your plans
And when you fall you always land
And you've got friends to hold your hand
So don't worry
If you're hurting
You don't have to hold the blame
I'll take the weight
Off your shoulders
It ain't over
If you've got too much on your plate
I'll take the weight
(Hmm)
I'll take the weight
So don't worry
If you're hurting
I'll take the weight
So don't worry
If you're hurting
You don't have to hold the blame
I'll take the weight
Off your shoulders
It ain't over

If you've got too much on your plate
I'll take the weight
(Unh-laaaa-unh)
I'll take the weight
(Unh-aaa-unh)
I'll take the weight
(Unh-aaa-unh)
I'll take the weight
(Unh-aaa-unh)
I'll take the weight
