Beat

Ricky Dillon

Can you hear me now?
Can you feel me now?
Beat makes me wanna get loud
Like a heartbeat, boom booming
808's run through my systemI want you to move with this
You know you just can't resist
Enter this trance, come on and dance now
Come and let your body in tune with me
Come and get close to me
Follow my lead, I'mma show you howListen to the drums go hard
Like a marching band (like a marching band)
Repeating every step, every sound, every wordBass comes in like bum, pum, pum, pum
Trumpets go up like pum, pum, pum, pum
Harmony's in like pum, pum, pum, pum
Everybody sing loud, pum, pum, pum, pumAnd it goes like
Gonna beat my drum like pa rum, pum, pum, pum, pumEverybody now, move your body now
Yell loud as soon as the bass drops
So get moving, zoom zooming
Is it in you like it's in me?I want you to move with this
You know you just can't resist
Enter this trance, come on and dance now
Come and let your body in tune with me
Come and get close to me
Follow my lead, I'mma show you howListen to the drums go hard
Like a marching band (like a marching band)
Repeating every step, every sound, every wordBass comes in like bum, pum, pum, pum
Trumpets go up like pum, pum, pum, pum
Harmony's in like pum, pum, pum, pum
Everybody sing loud, pum, pum, pum, pumAnd it goes like
Gonna beat my drum like pa rum, pum, pum, pum, pum
And it goes like
Gonna beat my drum like pa rum, pum, pum, pum, pumListen to the drums go hard
Like a marching band (like a marching band)
Repeating every step, every sound, every wordNow stomp your feet onto the beat
Now clap your hands and beat your chest
Like we the best, now everybody outloud
Into the crowd, when the beat goes, pum, pum, pum, pumAnd it goes like
Gonna beat my drum like pa rum, pum, pum, pum, pum
And it goes like

Gonna beat my drum like pa rum, pum, pum, pum, pum
