Worry No More

Later That Night...

Ain't gonna worry no more
If you stay or if you go
Ain't gonna worry no more
If you stay or if you goI'm tired of waiting by the telephone
I'm tired of waiting till the cows come home
I'm tired of waiting while your not around
I'm sick of waiting till the sun goes down
Ain't gonna worry no moreAin't gonna trouble myself
If I don't see you no more
I said I ain't gonna trouble my sweet self
If I don't, If I don't see you round here no moreI'm tired of waiting by the telephone
I'm tired of waiting till the cows come home
I'm tired of waiting till the sun goes down
I'm tired of waiting while your not around
Ain't gonna worry no moreCause I'm so tired of being lonely
I'm so tired of saying goodbye
I'm so tired of being lonely
Yes I'm so tired of saying goodbyeAin't gonna cry no more tears
Ain't gonna cry no more tears
Ain't gonna cry no more tears
Ain't gonna cry no more tears over youBecause I'm tired of waiting by the telephone
I'm tired of waiting till the cows come home
I'm tired of waiting till the sun goes down
I'm tired of waiting when your not aroundI'm tired of waiting by the telephone
I'm tired of waiting till the cows come home
I'm sick of waiting up until the dawn
I'm tired of you and I'm moving oneAin't gonna worry no more
I Ain't gonna worry no more
Ain't gonna worry
Ain't gonna worry
No moreAin't gonna worry no more
I Ain't gonna worry no more
Ain't gonna worry
Ain't gonna worry
No more
