Size

Lunik

I'm a little fish
In muddy waters
I am on my guard
I better duck
Stay on my side

hungry I am
We living beings only
Try to stay alive
I don't really want
To tangle withâ€˜

and it's wise
To realise my size
In here
Wise
To realise that mice
I should never eat 'em

sometimes I d like
To be exempted
From the daily fight
For kindness and for acceptance

sometimes I try
To understand it
I cannot survive
Without adjustment
And compromise
