Devil's Dance

Redlight King

Play the Redlight King Quiz"Devil's Dance"I saw the nights and days fly by me
I drew a fine line in the sand
I carved my last name in the stone, yeah
I taught the devil how to danceI stood still in the darkest alley
I searched high for the promise land
I dove deep down below the surface
I taught the devil how to dancePressure rising
Burning inside me
Blood and bones is all I am
Tough as nails now give me what you can
I'll fight to the death and I'll do it again
I taught the devil how to dance
I cut my knuckles on the dirty road
I saw the signs on the back of my hand
I sweat for days in the freezing cold, yeah
I taught the devil how to danceI hear the sound of a coming storm
I speak the truth that no one can
I sold my soul for a crown of thorns, yeah
I taught the devil how to dancePressure rising
Burning inside me
Blood and bones is all I am
Tough as nails now give me what you can
I'll fight to the death and I'll do it again
I taught the devil how to danceI taught the devil how to dance
Pressure rising
Burning inside me
Blood and bones is all I am
Tough as nails now give me what you can
I'll fight to the death and I'll do it again
I taught the devil how to dance
