Faceless

Twisted Method

Why did you terrorize
All those innocent lives
What gives you the right
Sometime the tables will turn
Precious beauty destroyed
Situation we can't avoidEverybody that's in the nation
Represented for what you believe in
Stand up for yourself
In your eyes its timeOpen up our eyes
Show em how we feel inside
Your gonna get what's comin' to you
No matter what you say or
What you do
No no you can't run
No no you can't hide
Kiss your life good byeWhat makes you think
That you can get away with all of this
You got the whole world pissed
For this your soul will burnTwo wrongs don't make it right
Halt every rest who diedEverybody that's in the nation
Represented for what you believe in
Stand up for yourself
In your eyes its timeOpen up our eyes
Show em how we feel inside
Your gonna get what's comin' to you
No matter what you say or
What you do
No no you can't run
No no you can't hide
Kiss your life good byeStand up for yourself
In your eyes its timeFaceless
Faceless
Faceless
FacelessStand upStand up for yourself
In your eyes its time
Open up our eyes
Show em how we feel inside
Your gonna get what's comin' to you
No matter what you say or

What you do
No no you can't run
No no you can't hide
Kiss your life good bye
