

# We Belong

## Old Sea Brigade

Many times I've tried to tell you,  
Many times I've cried alone.  
Always surprised how well you cut my feelings to the bone.

Don't want to leave you really, I've invested too much time.  
To give you up that easy  
To the doubts that complicate your mind

We belong to the lie  
We belong to the thunder  
We big to the sound of the words we both fall under

Whatever we deny or embrace for worse or for better, we belong.  
We belong together.

Maybe it's a sign of weakness but I don't know what to say,  
Maybe I just wouldn't know what to do with strength anyway.  
Have we become a habit,  
Did we distort the facts  
Now there's no looking forward  
Now there's no turning back

And we say...

We belong to the lie  
We belong to the thunder  
We big to the sound of the words we both fall under

Whatever we deny or embrace for worse or for better, we belong.  
We belong together.

Close your eyes and try to sleep in,  
Close your eyes and try to dream.  
Clear your mind and do your best  
Try to wash the pallet clean  
Can't begin to know it,  
How much we really care,  
I hear your voice inside me  
See your face everywhere

Still you say...

We belong to the lie  
We belong to the thunder  
We big to the sound of the words we both fall under

Whatever we deny or embrace for worse or for better, we belong.  
We belong together.
