Dear Mama

Luni Coleone

(Uh) Dear mama, i been going through some things baby
Everywhere i go niggas acting shady and crazy
Got my back against the wall
Grippin my 44 cuz these niggas will get on ya if u aint got balls
But i cant play the hard role, i gotta stick to this shit and count my pesos
You always told me my daddy wasnt ever shit
He put his hands on u plus he always yellin bitch
Thats the reason why i hate his ass to this day
Didnt get no love from him till the 10th grade
I gotta tell you that u did a good fuckin job
And to this very day i really aint got no prob

Dear Mama (dear mama) i been going through some things baby
Dear Mama i been going through some things baby
Dear Mama i been going through some things baby
But i got love for u if u still act crazy
Dear Mama i been going through some things baby
Dear Mama i been going through some things baby
Dear Mama i been going through some things baby
But i got love for u if u still act crazy
Dear Mama i been going through some things baby
Dear Mama i been going through some things baby
Dear Mama i been going through some things baby
But i got love for u if u still act crazy

Yea mama i done growed up, and got that attitude like I dont give a fuck
They call me luni C, but names aint a damn thang
Id give it all up for u, fuck this rap game
I know you made a bad decision when u smoked dope, but i bet i get some shit u dont no
So bear wit me when i cuss u out one day, i gotta leave bcuz my pride wont lemme stay
Fuck a bitch thats a lesson that was taught well, dont walk wit em if tha ho aint got mail
Thats why i love u an try to tell u er'day, im yo son and ill take your love anyway

Dear Mama (dear mama) i been going through some things baby
Dear Mama i been going through some things baby
Dear Mama i been going through some things baby
But i got love for u if u still act crazy
Dear mama i been going through some things baby
Dear mama i been going through some things baby

Dear mama i been going through some things baby
But i got love for u if u still act crazy
Dear mama i been going through some things baby
Dear mama i been going through some things baby
Dear mama i been going through some things baby
But i got love for u if u still act crazy

(uh) Dear Mama your little boy growed up cool, even tho i didnt graduate from bank hischool
