

# Stereo (feat. Alex Fitts)

## Machine Gun Kelly

So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see meUh, there I go  
2 clicks north of the bronx  
Whoever thought she would found love in a stereo  
2 headphones and a box  
She gets me up  
Every morning on the walk to school  
She aint worried bout these other little kids  
cuz she told me  
everydyday they sayin something new  
and you always got the illest kicks  
Boom Boom tat  
And she takes me out  
Just so the block can see  
Told me she wanted the world to know  
So she makes me loud  
now the whole block wants me  
But I'm all hers  
And she's all mine  
And even though her parents dont like me inside  
Whenever her daddy comes around  
We just hide  
Cuz she doesnt wanna sleep without me thats why  
I saidSo turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me  
So turn me on  
You can set me free  
Just look inside your speakers  
And there you'll find me  
There you'll find meYeah, and she loves my sound  
It's why I'm always around  
One of the most popular girls  
in the class  
could ... attract the crowd  
Yeah and she got me down

Touches the right place when I'm fizzling out  
And all of her friends love me  
cuz at all of the parties  
I make em bounce b-bounce  
Uh, if i play the right song  
she might take it off  
meaning her clothes  
you know i love it when she keeps the lights on  
play the music soft  
yeah so thats what I do  
Anything for my boo  
But when I hear the knock on the door  
I Shhh-shut up  
cuz i know my cue  
But when they gone  
I'm back at it  
She loves this song  
So I blast it  
Dad gets home  
I hide in the cabinet  
Flip my switch  
Like gymnastics  
Uh and Imma always be there for you  
You just gotta find my plug  
Ill be right here waiting for you in the middle of these speakers  
If you ever wanna find my love  
SoSo turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me  
So turn me on  
You can set me free  
Just look inside your speakers  
And there you'll find me  
There you'll find me Uh, and she gets older  
but I stay the same  
And as she grows up  
her opinions change  
Now shes off at college  
W- are the ones like me  
I just hope that one day she'll come back  
To hear another song from me  
But till then  
I just sit in her room and collect dust  
Thinkin about us

Waitin for the day she'll push my buttons  
and i feel her touch  
and get that rush  
But I'm not what she needs  
So i power down  
Then right at that moment  
I was found  
Hello, her little sister walked in  
Knew it was love at first sight  
Caught a little twinkle in her eye when I made a sound  
she snuck back in the same night  
And even though she knows that she wasnt allowed  
I know all she wanna do is be near me  
one thing is that I felt the same  
wanna tell her but she can't hear me  
So I said So turn me on  
You set me free  
Just look inside your speakers  
And there you'll see me  
So turn me on  
You can set me free  
Just look inside your speakers  
And there you'll find me  
There you'll find me Kells
