Gravity

Youngboy Never Broke Again

[Hook]
In this life that I'm livin,
I pray I make it through the night.
As I ride through my city,
I'm thinkin, lookin at the lights.
For so long, we was hurtin.
I got the chance to make it right.
plenty times you done hurt me,
I done been all alone tonight.
They claim that they with me,
but shit I know that they ain't ride.
Gotta stay down and get it,
I know that it's gon' be alright.
Can't get knocked off my pivot,
I gotta play my cards right.
Gotta stack up them benji's,
my nigga we gon' ball for life.

verse: for so long i been strivin
going hard trying to make it right
so much pain in my body
i know you can see it in my eyes
say that you was with me
promised you was down to ride
now when i look around
you aint nowhere by my side
hurt me so deep but its ok
im on my grind
i got 2 sons im just 16 cant waste my time
straight from the botton to the top i gotta climb
that boy said he dont like me tell him fall in line
soul survivor i wont stop nigga ima grind for it
im from Baton Rouge louisiana i done came far
alot of diamonds around my neck yeah im shining hard
im 16 driving in all these exotic cars
yeah i dont owe nobody shit but my momma boy
and my niggas cause they was the ones who was behind me from the start
remember ain't have nothing to eat i'll go steal for it
show you my bank account i swear i got 6 figures large

niggas round me they hating probably want take me for it
these niggas under disguise living under the board
i guess these niggas wasn't made for it
lord please don't mistake me they gone die cause ain't going for it

In this life that I'm livin,
I pray I make it through the night.
As I ride through my city,
I'm thinkin, lookin at the lights.
For so long, we was hurtin.
I got the chance to make it right.
plenty times you done hurt me,
I done been all alone tonight.
They claim that they with me,
but shit I know that they ain't ride.
Gotta stay down and get it,
I know that it's gon' be alright.
Can't get knocked off my pivot
I gotta play my cards right.
Gotta stack up them benji's,
my nigga we gon' ball for life.

eyyy i cant even lie i really miss my daddy
cant trip bout you leaving me wasnt for you this would of never happen
woke up with a opportunity to see my family
my limit the stars and i wanna grab ITTTTTTT
yeah yeah i just wanna grab ITTTTT

In this life that I'm livin,
I pray I make it through the night.
As I ride through my city,
I'm thinkin, lookin at the lights.
For so long, we was hurtin.
I got the chance to make it right.
plenty times you done hurt me,
I done been all alone tonight.
They claim that they with me,
but shit I know that they ain't ride.
Gotta stay down and get it,
I know that it's gon' be alright.
Can't get knocked off my pivot
I gotta play my cards right.
Gotta stack up them benji's,

my nigga we gon' ball for life.
