Stone Bridge

Fenech-Soler

Don't look into their eyes
Keep your head down or they'll think we're spies
Fingers type with every word
Printing stories on how we wereThe ground shakes as we run
Light flashes here they come
And I'll say, we can swim or die
Stone bridge is just a through away
And I'll say, we can swim or die
Stone bridge is just a through awayI press my hands against the glass
I feel your cold breath, I know we can change anytimeShe said, I'm overcome, I can feel my body fill with fear
What have we done? All our qualities have disappeared
History unfolds, they will always label us insane
And if we go, we may never make it back again
