My Heart Skips A Beat

Dwight Yoakam

Oh, my heart skips a beat,
When we walk down the street
I feel a tremblin' in my knees
And just to know your mine,
Until the end of time
Makes my heart skip a beat.
Well, I did a double take the day I met you
My heart turned a flip as I stood next to you
And I knew right there I never could forget you
For you are my every dream come true.
And my heart skips a beat,
When we walk down the street
I feel a tremblin' in my knees
And just to know your mine,
Until the end of time
Makes my heart skip a beat.You came into my life without a warning
And you turned my cloudy skies from gray to blue
Your my sunshine that comes up every morning
Yes, you are my every dream come true.
And my heart skips a beat,
When we walk down the street
I feel a tremblin' in my knees
And just to know your mine,
Until the end of time
Makes my heart skip a beat...
