

Daydreamer

[Lee Ryan](#)

Young man got a lot of soul
In god he trust he broke the mold with this one
It feels like theres nowhere left to run
In fact his life has just begun
With a dream
And sometimes that's enough Fly away drift and glide
Fly away drift and glide Daydreamer what are you dreaming of
Daydreamer what are you thinking of
Daydreamer i wanna dream with you
And leave it all behind
I say welcome to the dream time. Young girl that i used to know
Sung a lullaby and stole the show from everyone
I tell ya just when she closed her eyes
She saw the world and she fantasized it was part of her
And it was beautiful
