Shakey Ground

Phoebe Snow

Lady Luck and four-leaf clovers
Won't ease this hurt I feel all over
My life was one special occasion
'Til you're leavin', dampened the situationI'm standin' on shakey ground
Ever since you put me down
I'm standin' on shakey ground
Ever since you put me downMy car got repossessed this morning
Harder times I haven't seen in years, years
You'd better throw me a life preserver
'Cause I'm about to drown in my own tearsI'm standin' on shakey ground
Ever since you put me down
I'm standin' on shakey ground
Ever since you put me downI'm standin' on shakey ground
Ever since you put me down
I'm standin' on shakey ground
Ever since you put me downLady Luck and four-leaf clovers
Won't ease this hurt I feel all over
My life was one special occasion
Until your leavin', dampened the situationStandin' on shakey ground
Ever since you put me down
I'm standin' on shakey ground
Ever since you put me downI'm, I'm standin' on shakey ground
Ever since you put me down
I'm standin' on shakey ground
Ever since you put me down, put me downStandin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me downStandin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me down
