

Flii Away

Auburn

I just wanna fly away
From all of this pain
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...[Verse 1]
Now I've been sittin' here
Missing you
Thinkin' bout those crazy things
We used to do
And I can't help but think
That its cuz' of me
More than a friend, you were blood, you were family
And I try to stay happy but I can't
I wish that you were here
Things ain't the same
I wish that you would've listened
Should've paid more attention
But now it's to late..I just wanna fly away
From all of this pain,
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...I just wanna fly away
From all of this pain
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...You know that it gets hard for me
Remeniscing bout' what we did
And it's killing me inside
I wish that I could change the past
(But I can't)

I wish that you were here with me
(But you ain't)
I know that things won't get better til' I move on
I wish I could, but the feelings so strong
Wish I had the chance to apologize.
No I never meant what I said that night
But now its too late I just wanna fly away
From all of this pain,
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...I just wanna fly away
From all of this pain
Things don't feel the same
Feels like I'm to blame
I just wanna fly away
Can't believe you're gone
I feel so alone
Want you to come home...I just wanna fly away
(I wish that I could fly away)
(Wish that I could fly away...to be with you)
I just wanna fly away
(I wish that I could fly away)
(Wish that I could fly away...to be with you) I just wanna fly away
(I'm missing you like crazy)
(Missin' you like crazy...wish that I could fly away)
I just wanna fly away
(I'm missing you like crazy)
(Missin' you like crazy...wish that I could fly away) I just wanna fly away
(I wish that I could fly away)
(Wish that I could fly away...wish that I could fly away)
I wish that I could fly awaaaay)
(ooh Ooh) Wish that I could fly away
Fly Away
Fly Awaay I just wanna fly away
Fly Away
Fly Awaay Fly Away...
