Let Her Down Easy

Terence Trent D'Arby

You're top man on the scene
You don't think life comes in between
But hey, she's just seventeen
She feels that she's a worldly girl
But man you've been around the world
She is just some worried daddy's girl
Even though there's nothing I can say
Its just human nature any wayLet her down easy
Her heart is on a dime
Let her down easy
And you'll grow up in timeIn her strawberry eyes
The way she sees you signifies
That she's susceptible to your velvet lies
But if you must lay her down
May a butterscotch glow be her dressing gown
And please do not lead her on when you leave town
Even though there's nothing I can say
Its just human nature any wayLet her down easy
Her heart is on the line
Let her down easy
And you'll grow up in timeShe's a woman now
With a daughter to make her proud
In her crayon world of paper clouds
She still remembers you
The first boy that she gave it to
And she laughs at how little then she knew
Her daughter's five and her grandfather adores her (of course)Let her down easy
Her heart is on the line
Let her down easy
And you'll grow up in time
