Crazy

Lil Bow Wow

I'm crazy, how I dress and keep it fresh
So many steps ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meI'm crazy, how I dress and keep it fresh
So many steps, ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meY'all know wut it is when I step in da house
So stop sittin' back trynna figure me out
I know it don't sound right
That I'm only 14 in youre like, 30 years old
'Cuz you only wearin' gold, so you mad at me
'Cuz my first joint went triple P
And no matter wut I do when I step in the too
The girls dey love meOnly reason that I'm winnin' this, 'cuz I'm a gimmick
I know dat's wut your sayin', but I came to your show
Wuz nobody in it, and you still think your da man
Wut wuz dat?
No promo, no radio, I know you got summtin' to say
It's not your fault, 'cause you hot
But nobody else seem to feel dat waySee it's like dis, when you rap people just clap
When I rap dey shed tears
They no this so so C don't flow crazy like Britney Spears, it is
Ask yo momma, ask your brotha, ask somebody's dad
I'm colla poppin' gansta I'm super bad mayne I'm crazyI'm crazy, how I dress and keep it fresh
So many steps, ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meI'm crazy, how I dress and keep it fresh
So many steps, ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meMy appearance is head cocked, throw back, air force, no socks
Braided up, T-shirt, jeans, Jordans, and a barba watch
Lock man, every color bands
I sayin' I switch every time da wind blow
When I ain't puttin' it down, playin' around
You can catch me in dat technoIt's mandatory dat I rock two chains
Big only way I do thangs
Kid wit so much game, bad stay outta my range
'Cuz I can make a mountain move, if I wanted too
But I really wanna move you, only rock it if it's new

Only top it if it's true, so stop your nonsenseHealthy bag, colored du-rags, jipos wit a whole lot of sag
Dad in da Range, mom in da Jag, and I keep on all da tags
Aks yo momma, aks your brotha, aks sumbody's dad
I'm colla poppin' gansta I'm super bad
You know I'm crazyI'm crazy, how I dress and keep it fresh
So many steps, ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meI'm crazy, how I dress and keep it fresh
So many steps ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meBounce come on, bounce come on
Bounce come on, put yo hands where my eyes can see
Bounce come on, bounce come on
Bounce come on, put yo hands where my eyes can seeNo otha women can be compared to BRAT
All of a sudden, sum of them wanna be thuggin'
But they wouldn't, before I popped out da oven hot
So then I show them I don't sit in da bottom of da charts
Timbalands and a halter top
Wut I rock is comfortable whether feminine or not to you
Don't worry 'bout wut Lil Popsy do
'Cuz I'mma keep on gettin' my freak onWith heeps on, put da heat on and breathe on him
You don't wanna see T-I-T's on me for VIP's only
Get in my ear and tell me wut you want me to be
'Cuz I can play out any scene, any episode you think of
I can swing, it don't mean a thing, 'cuz I got dat bling
Got me a fresh hairstyle just to win, house on da hill[Incomprehensible] equipped with 22 inch wheels
Take trips to Maui, to close deals
I'm so real, notice a cop dat pop a female
I'm so ill, showed you been here 8 years
Told you I can neva be deal to deal
Please believe it, undefeated
I ain't neva been beat, 'cuz I'm just dat crazyI'm crazy, how I dress and keep it fresh
So many steps, ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love meI'm crazy, how I dress and keep it fresh
So many steps, I ahead o' y'all, 'cuz I'm before my time
I'm crazy, how I do it, when I do it, I can stew it
Dat's why da girls, da girls dey love me
Girls love me
