

Braineaters

The Misfits

Hey hey hey

Brains for dinner, brains for lunch
Brains for breakfast, brains for brunch
Brains at every single meal
Why can't we have some guts, hey hey hey

Brains are all we ever get
In this rotten fuckin' place, hey hey hey
Brains are all we ever get
Why can't we have a change of pace

Brains for dinner, brains for lunch
Brains for breakfast, brains for brunch
Brains at every single meal
Why can't we have some guts, hey hey hey
Why can't we have some guts, hey hey
Why can't we have some fuckin' rotten guts
Hey hey hey
