

Nothing Remains

[Chimaira](#)

Advisory - the following lyrics contain explicit language:

Nothing remains I shout these words to those who never listen
I pen this letter with the utmost conviction
It's been dark in here, cold and relentless
It's been too long, can no longer fight this Too late to change my mind
Nothing remains, I've silenced the pain All the years passed, no one heard my true feelings
You continued to act like you knew me
Did you ever stop to think that I'd be able
To look in your eyes and say that I'm stable? Too late to change my mind
Nothing remains, I've silenced the pain Don't tell me that I am taking the easy way out
Don't tell me that I am taking the easy way out, no No underlying message to figure out
What you got from me is what I put out
No underlying message to figure out
What you got from me is what I put out No one knew a thing about me, just longing to be accepted
Wait 'til you see what I've become, become
My lifelessness, my lifelessness Too late to change my mind
Too late to change my mind
Nothing remains, I've silenced the pain
Nothing remains, I've silenced the pain Nothing remains
