

Just Be a Woman

Lenny Kravitz

You ask me
How should I be to you?
You ask me
To tell you what to do
You ask me
How can we make it through?
You want me
But don't know what to do And I just want you to be true Just be a woman
Just be a woman You ask me
How can I make you smile?
You ask me
How can I make it right?
But darling
Just take a look inside
The answers
Are within your own mind And I just want you to be you Just be a woman
That's all you got to do
Just be a woman Just be a woman
Do what you got to do
Just be a woman
That's all you got to do
Just be a woman
That's all I got to say
