

I Am Bulletproof

Black Veil Brides

Here we go
Holding onto lies, holding onto ties that vanished
Cut the rope
And fall into the sky, the devil filled our minds with sadness

The world's a gun and I've been aiming all my life
Got something to live for, I know that I won't surrender
A warrior of youth
I'm taking over, a shot to the new world order
I am Bulletproof

Here I go
Another prison flight, another perfect sky I damaged
Now I know
Just who created life and why I set my sights to save it

The world's a gun and I've been aiming all my life
Got something to live for, I know that I won't surrender
A warrior of youth
I'm taking over, a shot to the new world order
I am Bulletproof

And as they take their final breath, I have built the truth
I'm taking over, a shot to the new world order
I am Bulletproof
