Pieces (Aaron Bond Remix)

Chase & Status

You don't care,
About me,
Anymore,
That's why you, you wanna break my heart,
Into pieces on the floor.If you don't care,
About me,
Anymore,
Why do you, you wanna break my heart,
Into pieces on the floor.You don't care,
About me,
Anymore,
That's why you, you wanna break my heart.I remember when I used to feel something,
I remember when I used to feel something.
I remember when I used to feel something,
I remember when I used to feel sutin'
I remember when I used to feel something,
I remember when I used to feel sutin'
I remember when I used to feel something,
now-o-ow-o-ow I'm just cold inside.I remember when I used to feel something,
I remember when I used to feel something.
I remember when I used to feel something,
I remember when I used to feel something.
I remember when I used to feel something,
I remember when I used to feel something.
I remember when I used to feel something,
Now-o-ow-o-ow I'm just cold inside.I remember when I used to feel something,
Now-o-ow-o-ow I'm just cold inside.I remember when I used to feel something,
Now-w-w-w I'm just cold inside.If you don't care,
About me,
Anymore,
Why do you, you wanna break my heart,
Into pieces on the floor.You don't care,
About me,
Anymore,
That's why you, you wanna break my heartI remember when I used to feel something,
Now-o-ow-ow I'm just cold inside.I remember when I used to feel something,
I remember when I used to feel something.
I remember when I used to feel something,
I remember when I used to feel something.

I remember when I used to feel something,
I remember when I used to feel something.
I remember when I used to feel something,
Now-o-ow-o-ow I'm just cold inside.You don't care,
About me,
Anymore,
That's why you, you wanna break my heart
