

Jeffrey Lee Pierce

Off

Heard a voice
Call out to me
From the shadows ofHe saw the world
With diamond eyes
Through the moon shine palm tree skiesJeffrey Lee Pierce!A creeping (?) ritual
Blasting from amps
With an X drawn on our hands
His (?) was up
An eternity
That's why I write this eulogy forJeffrey Lee Pierce!A river runs through
His esophagus
To a swamp buried in his chest
Jeffrey Lee Pierce!So carry off
Jeffrey Lee
And we'll burn that Christmas tree!
