Lucky Cloud (Return)

Arthur Russell

Lucky cloud your sky
A little rain
A lot of fun
One kiss and I go overboardI will find
More to see
I will see
More to find
It'a a two way, two way street
The more I look ahead
The more I see behind
Lucky cloud your sky
A little rain
A lot of fun
One kiss and I go overboardWhat a day
As the sun peeps around the cloud
That's in the way
Like a two way, two way street
The weather at a point will show me what you will sayLucky cloud your sky
A little rain
A lot of fun
One kiss and I go overboard
I see your light touch my eyes
And then the rest
Is history
One kiss and I go...
