Against All Odds

Westlife

How can I just let you walk away?

Just let you leave without a trace

When I stand here taking every breath with you, ooh

You're the only one who really knew me at allHow can you just walk away from me

When all I can do is watch you leave?

'Cause we've shared the laughter and the pain

And even shared the tears

You're the only one who really knew me at allSo take a look at me now

'Cause there's just an empty space

There's nothing left here to remind me

Just the memory of your faceSo take a look at me now

And there's just an empty space

And you coming back to me is against the odds

And that's what I've got to faceI wish I could just make you turn around

Turn around and see me cry

There's so much I need to say to you

So many reasons why

You're the only one who really knew me at all So take a look at me now

Well, there's just an empty space

And there's nothing left here to remind me

Just the memory of your faceSo take a look at me now

'Cause there's just an empty space

But to wait for you is all I can do

And that's what I've got to faceTake a good look at me now

'Cause I'll still be standing here

And you coming back to me is against all odds

And it's the chance I've got to take

Chance I've got to take, got to take Take a look at me now

Take a look at me now

Take a look at me now
