

# Houdini (RAC Mix)

## Foster the People

Rise above, gonna start the war!  
Oh, what you want, what you need,  
What'd you come here for?  
Well, an eye for an eye and an 'F' for fight  
They're taking me down as the prisoners riot Yeah, yeah Got shackles on, my words are tied  
Fear can make you compromise  
With the lights turned up, it's hard to hide  
Sometimes I wanna disappear When I feel kinda bad and don't want stress  
Just pass it off on ability  
Well you got what you want, what you never knew  
A perfect gift from me to you Yeah, yeah, yeah Got shackles on, my words are tied  
Fear can make you compromise  
With the lights turned up, it's hard to hide  
Sometimes I wanna disappear (Raise up to your ability)  
You never knew that I could find  
What could come when we realise  
I don't want to compromise (Raise up to your ability)  
Yeah I'm scared that I'll disappear  
Running around because I'm filled with fear  
Can't go now because my life's a wreck (Raise up to your ability)  
I know that you want to  
Throw me into the sea for my abilities (Raise up to your ability)  
Yeah you're undecided  
Yeah so I could see that  
I don't wanna run away Gotta focus on your ability  
Focus on your ability  
Gotta focus on your ability  
Focus on your ability Can't get what they want to steal  
Can't get what they want to steal  
Yeah, they can't get what they want to steal  
Can't get what they want to steal
