

# Bukakke Tears

## Steel Panther

You said you wanted to open up the doors to our bedroom  
You said my cock was nice but left a little too much headroom  
So I called some of the boys and I set it up  
How was I to know you'd regret it, oh  
There was so much love on your face  
I couldn't see the tears  
There was so much spunk on your face  
Neither the boys nor I could see your tears  
I said it would turn me on  
To watch you get fucked  
By nine or ten guys  
When you said you banged the  
football team your freshman year  
I was slightly surprised  
But as I started letting out the dog in me  
You flipped the switch and went back to monogamy  
There was so much love on your face  
I couldn't see the tears  
There was so much spunk on your face  
Neither the boys nor I could see your tears  
We can't stop now it's moving too fast  
There's a nine inch cock in your pussy ten and a half in your ass  
Dongs in each hand so hold on tight  
When we all bust a nut I'm gonna make it right tonight  
There was so much love on your face  
I couldn't see the tears  
There was so much spunk on your face  
Neither the boys nor I could see your tears  
There was so much love  
So much love on your face  
There was so much, so much love  
So much love on your face  
There was so much, so much love  
Sticky, gooey jizz on your face, yeah  
Oh, your stupid sticky face  
We're gonna give you our love  
There was so much love on your face  
I couldn't see the tears  
There was so much spunk on your face

Neither the boys  
Nor I could see the tears
