

All My Love (feat. Melanie Fiona)

Glenn Lewis

Say if I was your boyfriend
And your boyfriend was me
He would be so secure
He wouldn't have to compete
Maybe I'm just that fly
That he thinks that you'll leave
'Cause as pretty as you are
You deserve finer things Don't he know when you carry gold
You can't toss it around like it's silver
You never see it glitter
And so just let him know
That someone like me is around the corner
Waiting my turn just to deliver [Chorus]
All my love as your heart is tender
And soft as a whisper
Wanna give you all , all my heart
'Cause your heart is tender
And soft as a whisper If I was your girlfriend
And your girlfriend was me
You wouldn't want no other
'Cause I'd be all you need
With your love like a candle
Hold you down like a queen
Be the beat to my name
If you know what I mean Boy you know that my heart is gold
So don't play around like it's some silver
You say you can't deliver
If you should go
There's some other G right round the corner
Waiting his turn if you don't wanna [Chorus: x2]
All my love as your heart is tender
And soft as a whisper
Wanna give you all , all my heart
'Cause your heart is tender
And soft as a whisper
