

# I Refuse

## Aaliyah

This is where  
I've got to draw the line  
'Cause I refuse to let you think  
You could play with my mind Always seems that you think  
That I'm blind  
'Cause there's always certain times  
When you're hard to find You're on the go, I'm on the go  
We're on the go  
I can't catch you no more  
Can't see you no more And it no longer can be ignored  
'Cause at once upon a time  
It was you I adored You disappeared and left me here  
Out in the cold  
And the absence of you  
Is hurtin' my soul Didn't know there was  
An end of the road  
It was so easy for you  
Just to let it all go And I refuse  
I refuse to have one more sleepless night  
I refuse  
I refuse to let a tear fall out my eye I refuse  
I refuse to continue to try  
I felt like I would die  
Or I could break down and cry And I refuse  
I refuse to let you walk back through that door  
I refuse  
I refuse to let you hurt me anymore And I refuse  
I refuse to continue to ignore  
The fact I fell to the floor  
The day you walked out my door And I refuse  
No way baby I can't take it no more  
And I refuse  
No way baby I can't take it no more And I refuse  
No way but I refuse  
To take it anymore Remember when I told you  
I could feel the change  
You don't touch me the same  
Don't hold me the same No, I don't want you  
To take all the blame

'Cause I know I had those moments  
When I caused the pain This back and forth just like a war  
With you and me  
See we both disagree  
Have we ever agreed? This ain't nothin' like  
I thought it would be  
Was it all just a dream?  
Was it ever in my reach? And I refuse  
I refuse to have one more sleepless night  
I refuse  
I refuse to let a tear fall out my eye And I refuse  
I refuse to continue to try  
I felt like I would die  
Or I could break down and cry And I refuse  
I refuse to let you walk back through that door  
I refuse  
I refuse to let you hurt me anymore And I refuse  
I refuse to continue to ignore  
The fact I fell to the floor  
The day you walked out my door It was your way  
Or it was no way  
And I couldn't live that way It was our call  
How come it was your call?  
'Cause I gave you my all and all And I refuse  
I refuse to have one more sleepless night  
I refuse  
I refuse to let a tear fall out my eye And I refuse  
I refuse to continue to try  
I felt like I would die  
Or I could break down and cry And I refuse  
I refuse to let you walk back through that door  
I refuse  
I refuse to let you hurt me anymore And I refuse  
I refuse to continue to ignore  
The fact I fell to the floor  
The day you walked out my door No way, I can't take it baby  
No way, I can't take it baby  
No way but I refuse  
To take it anymore No way, I can't take it baby  
No way, I can't take it baby  
No way but I refuse  
To take it anymore I refuse  
I refuse  
And I refuse And I refuse  
I refuse

And I refuse  
Said I refuse to take it anymore
