Ever Lifting

Christy Nockels

-Verse-
Up on the heights, oh, oh
You let me go, oh, oh
You make my heart to rise from the depths below
You hold me up, oh, oh
So I can see, oh, oh
You're ever lifting me
You're ever lifting me

-Chorus-
You're lifting my head so I know You're near me
You're lifting my eyes so I see You clearly
Where I belong
You are where I belong
I'm lifting my voice just to sing a new song
I'm lifting my hands just to show You I know
Where I belong
You are where I belong
You are ever lifting me
You are ever lifting me

-Bridge-
You fill my heart to know
The length of Your great love
And where You go I'll go
You set my heart above
And nothing on earth compares
Oh, God when I'm with You
You take me higher
You take me higher
